COMMUNICATION SKILLS. Multiple experiences in different sectors have demonstrated the ability to adapt to heterogeneous situations and contexts, in which empathy and communication skills have always emerged.

ORGANISATIONAL / MANAGERIAL SKILLS Years of experience (in Italy and abroad) have demonstrated excellent team management skills as a leader, as well as excellent performance in subordinate positions. These same skills are also evident in self-employment, including meeting deadlines, planning and implementing projects, and the ability to respond to setbacks and find solutions to turn them to one's advantage, thanks in part to considerable creativity and imagination.

COMPUTER SKILLS Good knowledge of Microsoft Office (Word, PowerPoint) and the Quark-X-Press layout program; Ability to use programs for creating podcasts (Audacity, Spreker) and newsletters (Mailchimp); Use of major social media platforms to disseminate activities and events; Excellent practice in using the web as a research, work, and communication tool.

OTHER SKILLS. Excellent photography skills.
